* Breaks: The administration is working towards offering care for our full-day families during those times.

Anchorage Montessori School Calendar is designed with several factors in mind.

1. Tried to align our schedule to the school district for families with children attending both our school and Public School.
 - a. First day of school for us starts the Monday after Public School starts
 - b. We separated in-service days from the parent teacher conferences for our 3-day a week families so they may attend school.
 - c. Spring Conferences were scheduled the week after Spring Break for Public School. We felt that would be too taxing for our Full-Day families so we moved Spring Parent/Teacher conferences to April.
2. Our In-Service days are extremely valuable, because the Montessori teaching style requires hands-on manipulatives and teacher training for implementation.
3. We included Parent nights and feast to the Calendar for your planning purposes.
4. The school administration is working towards providing some care for our Full-Day families during Winter Break and Spring Break.
