

2018

PRIMARY SUMMER CAMP

Session I:

Week 1: June 4th - June 8th

Get Growing!

Get ready to get dirty and join us for an exploration of the plant life cycle, gardening, and growing our own food.

Week 2: June 11th - June 15th

Creepy Crawlies

Creepies and crawlies; OH MY! It's all about the bug.

Week 3: June 18th - June 22nd

DinoRAWR

Stomp, stomp, stomp! Feel the ground quake? Let's travel back in time and discover how the dinosaurs lived.

Week 4: June 25th - June 29th

Splish Splash Splat

It's ooey. It's gooey. It's stretchy. It's squishy and it's squelchy! It's SLIME!

Session III:

Week 9: July 30th - August 3rd

Box City

Armed with only duct tape and recyclables, will we be able to build our very own city?

Week 10: August 6th - August 10th

Out of this World

To the moon and beyond! Join us in our rocket ship as we blast away into space and discover what secrets lay within our galaxy.

Session II:

Week 5: July 2nd - July 6th

Crazy Cooking

Ever made your own marshmallows? What about turning a piece of toast into an artistic masterpiece? Come join us for a week of culinary adventures as we explore our most tantalizing sense: taste.

Week 6: July 9th - July 13th

Down on the Farm

Just what does it take to run your own farm? Come and find out while we harvest our own crops, churn our own butter, and even build our own chicken coops!

Week 7: July 16th - July 20

Movin' & Groovin'

Bring your dancing shoes and get ready to move, move, move to the music as we create our very own instruments (and band!).

Week 8: July 23rd - July 27th

Deep Blue

We may not be able to explore the deepest recesses of the ocean ourselves but that doesn't mean we can't experience it in our very own classroom! Find out just how big a blue whale really is, or how many suckers an octopus has, as we delve into the deep, deep blue.
