

# 2019 AMS PRIMARY SUMMER CAMP

## JUNE 3RD-7TH UNDER CONSTRUCTION!

Calling all budding architects and builders. Join us as we use our imagination to build bridges, towers, houses, out of a variety of materials. Anything is possible!

## JUNE 10TH-14TH MINI MAKERS

Young inventors will have the opportunity to tinker with loose parts and use their imagination to design and create unique projects.

## JUNE 17TH-21ST HAWAII

Aloha! Experience the Hawaiian Islands by making leis and grass skirts, dancing the hula, creating volcano art and even having our own luau!

## JUNE 24TH-28TH RAINFOREST SAFARI

Rainforests can be found all over the world—even in Alaska! What makes a rainforest different from other forests? What animals and plants can you find there? Let's find out!

## JULY 1ST-JULY 3RD: TEDDY BEAR PICNIC!

Bring your favorite teddy bear to camp to help with all sorts of teddy bear cooking projects, art activities, and games.

## JULY 8TH-12TH IN THE SMALL, SMALL POND

Did you know there are two ponds by AMS? This week we will be exploring those ponds and learning about the animals and critters that live there. We will also be making our own small, small pond.

## JULY 15TH-19TH MESSY SCIENCE!

Unleash your inner mad scientist as we brew potions, concoct elixirs, and mix up all sorts of icky, gooey science fun.

## JULY 22ND-26TH ACTION ART

Have you ever drawn with your feet? Painted with a fly swatter or a water balloon? Now is your chance to create art in completely different way.

## JULY 29-AUG. 2ND ROCKS!

Growing our own crystals, making edible rocks and cracking open geodes are some of the exciting activities that will happen as we learn about different types of rocks and how they were formed.

## AUG. 5TH- AUG. 9TH BAKING WITH MS. JESSICA

Baking sweet treats is a favorite pastime of Ms. Jessica. This week she will be sharing her talents with us as we make cupcakes, brownies and other sweets.
