Primary Summer Camp 2020

Week 1: June 1st-5th
Alaskan Adventures
Get ready to embark on an adventure through the frozen tundra as we examine and explore our magical state.

Week 2: June 8th-12th
Goin’ Green
Time to get our hands dirty as we toil in the soil under our beautiful Alaskan sun. We’ll be learning about composting (with our own red wiggler worms!), as well as, growing our own food and sustaining a garden.

Week 3: June 15th-19th
Around the World in 5 Days!
Ready your passports as we traverse the seven continents! We will be exploring the traditions, cuisine, art, and geography of different cultures of our world.

Week 4: June 22nd-26th
Space Race
What exactly are Saturn’s rings made of? How many moons does Jupiter have? Just how hot is Venus? Time to blast off as we explore our vast solar system in our very own camp rocket!

Week 5: June 29th-July 3rd
Animal Planet
Join us for a walk on the wild side as we delve into the animal kingdom and study animals from the jungle, arctic, and ocean!

Week 6: July 6th-10th
Caution: Construction Zone Ahead
Put your your hard hats on; it’s time to build our camp city!

Week 7: July 13th-17th
Symphony of the Five Senses
Join us as we delve into our five senses and learn how they help us to experience the world around us!

Week 8: July 20th-24th
Wild at Art
We’ll be exploring our creativity while developing our love for the arts this week as we experiment with various art mediums, both visual and auditory.

Week 9: July 27th-31st
Treasure Hunters
Grab a compass, we’re going treasure hunting! We’ll be creating our own maps and camp scavenger hunt.

Week 10: August 3rd-7th
Let’s Go Camping
Pack your sleeping bags, we’re going camping! We’ll be learning how to erect a tent, identify animal prints and edible plants, as well as, make the perfect s’more!
