Anchorage
Montessori School

Letter From the Board of Directors

Dear Anchorage Montessori School Community,

We wanted to take this opportunity to say hello and thank you for all that you do to make our school a welcoming and supportive community. As you may or may not know, Anchorage Montessori School is a non-profit corporation that is governed by an all-volunteer Board of Directors. The Board works with the school's Executive Director to oversee the finances and management of the school in furtherance of our goals.

We are pleased to share that our Executive Director, Laura Roark, has designed an updated salary scale for our valued employees. The board has approved this salary scale and is in full support of ensuring the AMS staff are well compensated. We believe that this system, along with increased wages for all our employees, will enable us to continue to prioritize both high quality education to students, and a livable and equitable wage for employees.

This year the school implemented an annual giving campaign to replace the various fundraisers that were traditionally held throughout the year. This means that all school events for the upcoming year will be at no cost to our school community. We hope you and your family will join us for the upcoming carnival!

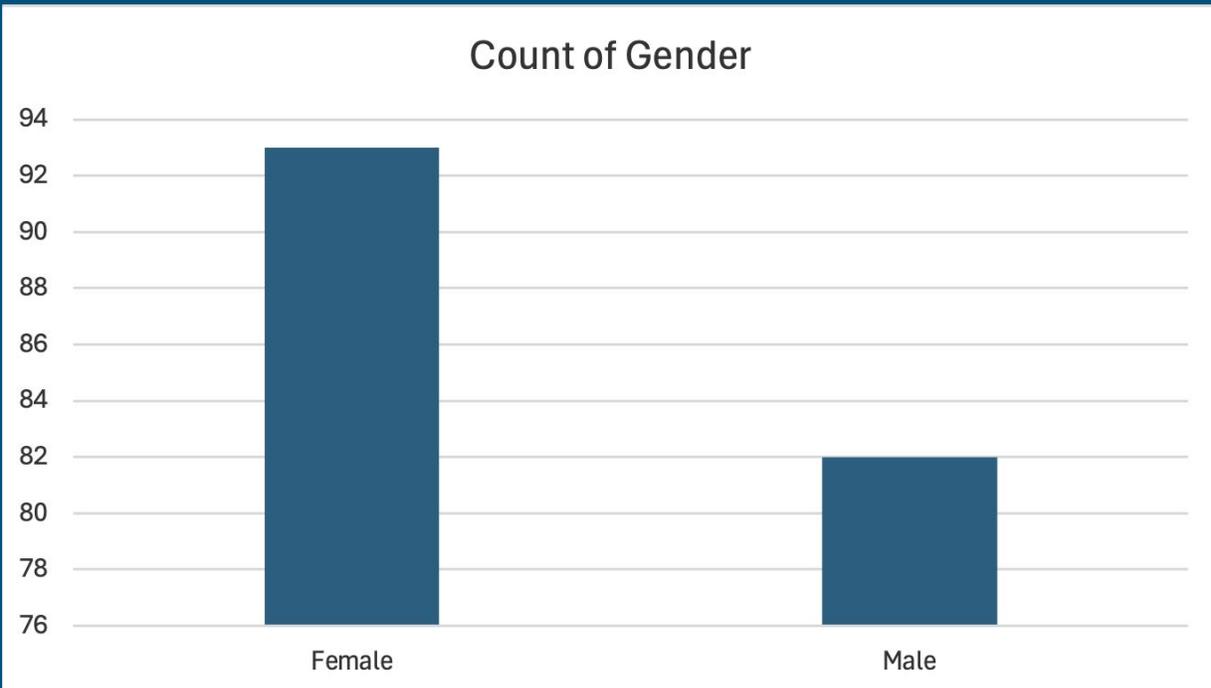

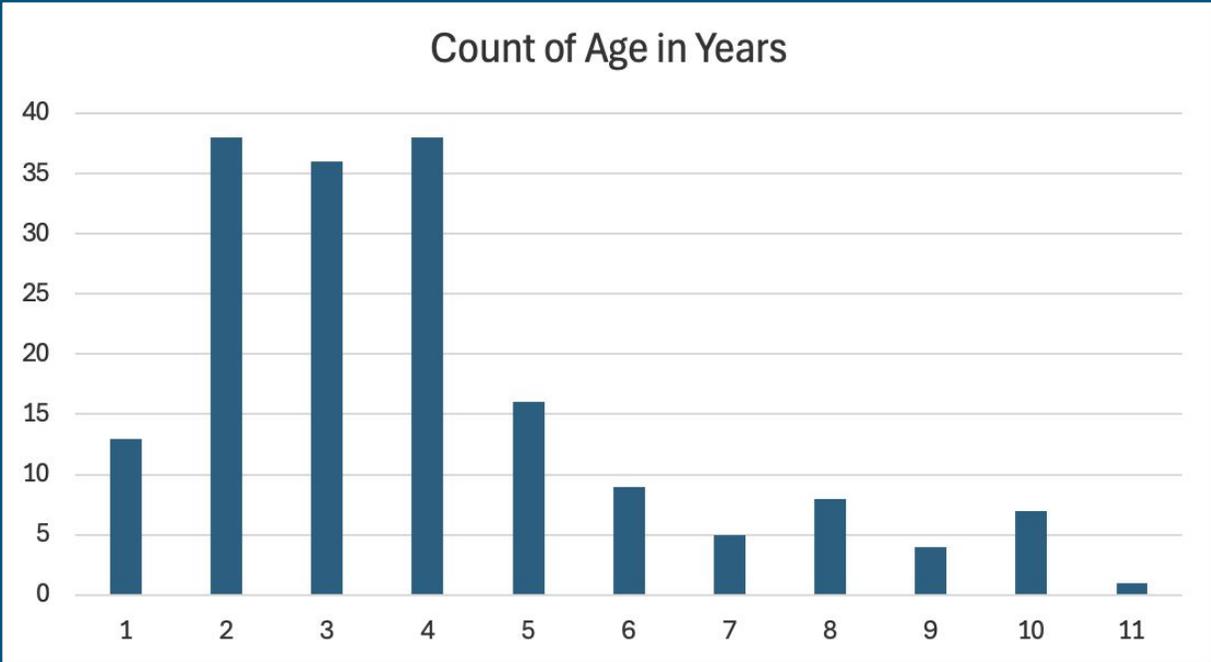

AMS is grateful for and dependent on the generosity of parents, grandparents, and alumni to continue to achieve our goals as a community. If you have any desire to volunteer your time, talents, or financial support we would greatly appreciate all your contributions. It is our pleasure to work with your children each day, and we look forward to another fantastic year together at Anchorage Montessori School.

Thank you,

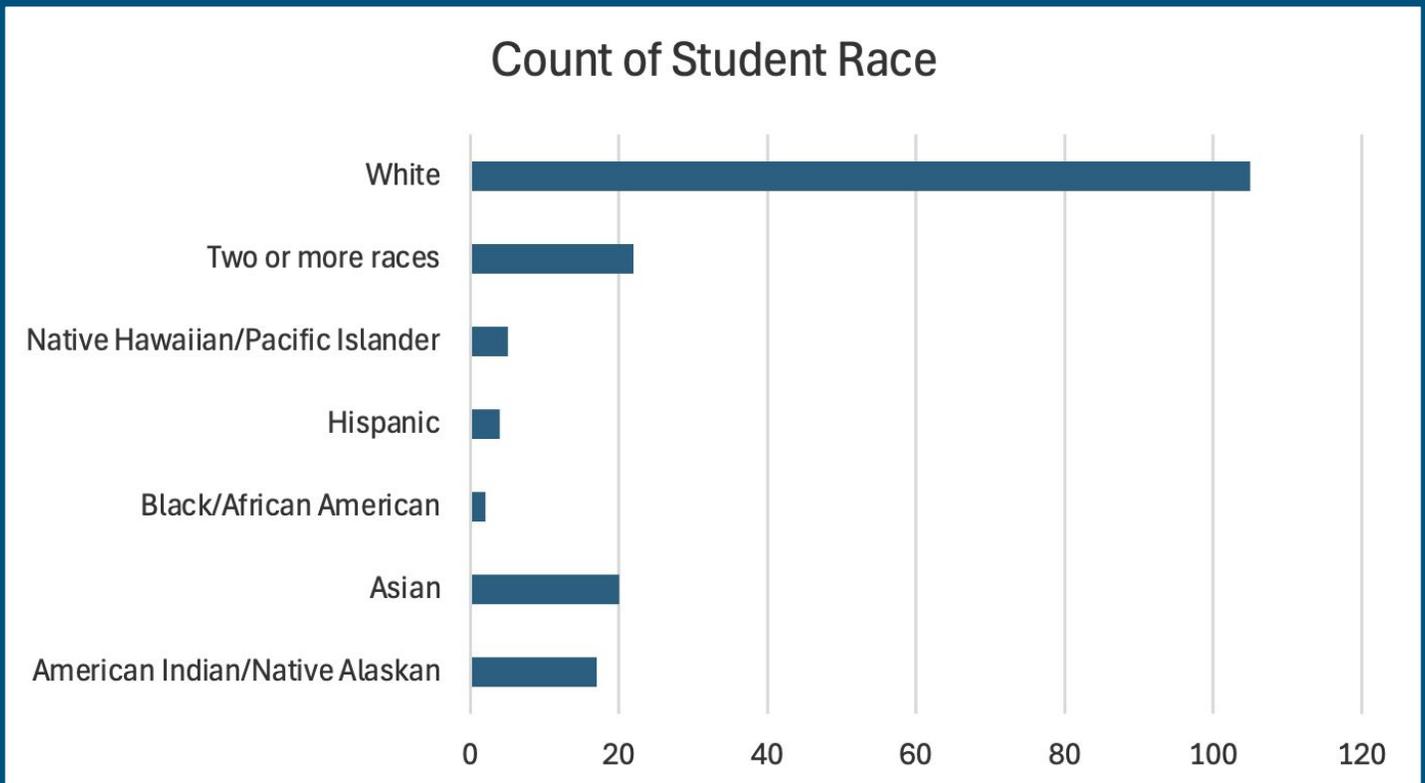

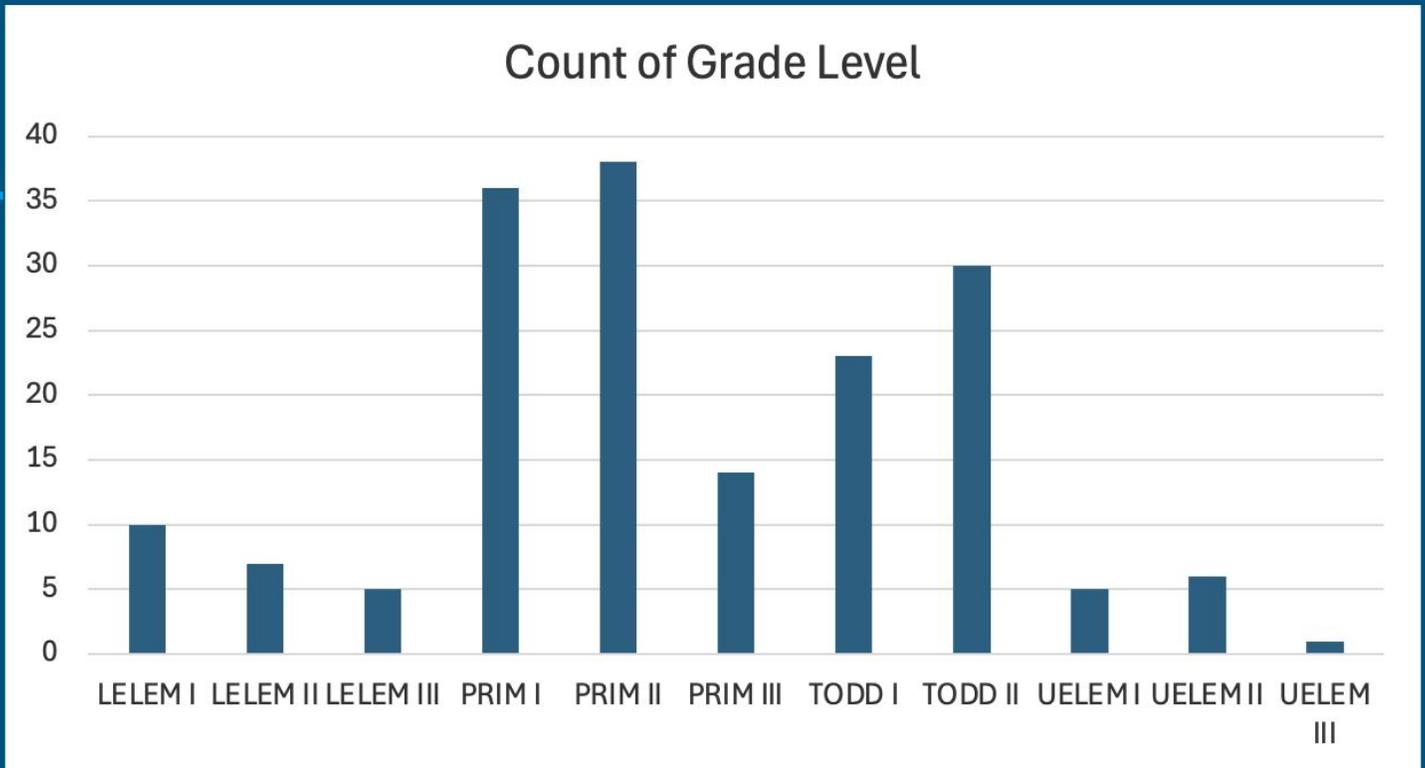

Anchorage Montessori School
