HIGHLIGHTS AND ACCOMPLISHMENTS

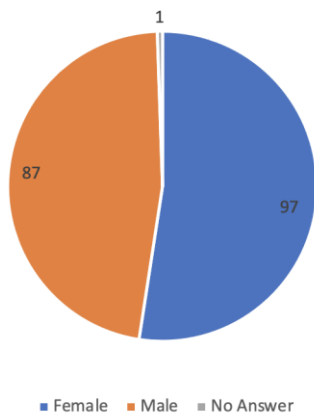

- Thanks to the generosity of the families, the school was able to install security cameras on the outside of the buildings. The first stage was completed in the spring of 2023, with the second stage completed in the summer of 2023.
- Thank you to our families who spent time over Memorial Day weekend creating a French drain on the elementary playground. The time and effort this took was much appreciated and has helped to reduce the amount of mud during this rainy summer!
- The 2022-2023 marked the return of in-person events after the pandemic. The community enjoyed coming together for pot-lucks, pizza, pancakes and tacos, as well as celebrations like AMStival, Chinese New Year and everyone's favorite, AMS Carnival!
- AMS achieved a notable milestone of being accepted as a candidate for accreditation by the American Montessori Society.
